

**PLEASE NOTE: The Final Filing Date Has Been Extended**

If you previously took and passed the Fire Apparatus Engineer (FAE) examination during the filing period of October 1-19, 2010 your eligibility will expire in October 2011.

In order to maintain your list eligibility you **MUST RETAKE AND PASS** the examination by the final filing date listed below. If you do not retake and pass the examination you will no longer have eligibility on the employment list.

**FAE: 5:00 p.m. September 27, 2011**

Please read the attachments for important information regarding the FAE examination. Questions concerning technical issues can be directed to the State Personnel Board at 1-866-844-8671. For other questions, please contact the FFII, FAE, and Paramedic Hotline at (916) 445-7842.
